

ORDINANCE762

An Ordinance relating to the issuance of temporary use permits to authorize excavation of construction materials and installation of processing equipment used in the construction of public work projects; amending and repealing King County Resolutions and ordinances inconsistent herewith.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

Section 1. The Director of Buildings shall have the authority to issue temporary permits for specific jobs on application of a governmental agency covering highway, road, street, and airport construction and for flood control. Provided, however, that before any such permit shall issue, the application shall be referred to the Department of Planning and the Department of Public Works for their review and recommendations.

The Department of Public Works shall consider the effect of the proposed operation on the county road system and any effect it may have on flood control and the Department of Public Works shall make such recommendations as are necessary to protect the public interest in this regard.

The Department of Planning shall consider the effect of the proposed operation on the current and future land use in the area affected by the proposed operation and shall make such recommendations as are necessary to protect the public interest in this regard.

When issuing the permit, the Department of Buildings shall require compliance with the provisions of Ordinance 00525, the recommendations of the Department of Planning and the Department of Public Works, and shall be responsible for the enforcement of the provisions of the permit.

Section 2. Section 1, Sub-section 27.01, Resolution 18801  
as amended is hereby amended by deleting paragraph 3.

Ordinance 00655 is hereby repealed.

PASSED this 22<sup>nd</sup> day of March, 1971.
